Impressive Spanish style house for sale in Viladamat

Beautiful property in the heart of Empordà
The property is a true haven of balance and harmony in the most idyllic part of the Ampurdanese interior. Its location and design make it a unique property, but it is the details and quality of its elements that elevate it to a true architectural masterpiece.

Located in Viladamat, it is situated in the axis of the four cardinal points of the area: Baix Empordà, Alt Empordà, a multitude of beaches and coves, and the inland countryside. The property consists of 215 m² built, distributed over three floors, in addition to having a generous plot of 633 m².

On the ground floor, an entrance hall with high ceilings leads to 3 double bedrooms and a bathroom. Through its open stairs, we access a spacious and bright living room - kitchen, connected to a covered terrace of about 20 m² with views of the garden and the pool.

On the upper floor, you will find a large suite with terrace and jacuzzi with built-in shelves. All these spaces are distributed around an open staircase with high ceilings that functions as a gallery and houses a complete library with built-in shelves that will become the special space to enjoy moments of reflection, or even work as an office.
